Narmin Mammadova - Frontend Developer

mammadovanarmin.job@gmail.com | +994503968985
[My linkedin](#) | [My Github](#) | Baku,Azerbaijan

Professional Summary

As a highly motivated individual, I am committed to continuous learning and improvement. I approach challenges by researching until I find a solution. I focus on writing clean, understandable, and responsive code that encourages collaboration. I use lazy loading for performance optimization and apply Jest for testing. I have experience with SEO, SSR (Server-Side Rendering), and SSG (Static Site Generation). I am punctual and disciplined, completing tasks quickly and translating designs into code.

Skills

JavaScript, Typescript, React Js, Next.js, HTML5, CSS3, Tailwind CSS, Bootstrap, Git, Github, Rest API, Redux, Trello, Firebase, Figma
